

COLLEGE OUTREACH 2008-2009

What the parents are saying . .

"Thanks so much for the wonderful Purim package. I know both my boys have really enjoyed getting their packages from OVS! It makes them really feel like a part of the congregation even when they are far away." *Marilyn Gower*

"Both my girls received their wonderful packages! They really appreciate it although they probably won't send you a thank you note. It really means a lot to me that they are being kept in touch with OVS and their Jewish heritage." *Lynne Galanti*

"My daughters get so excited when they are remembered by OVS!" *Lynn Pascale*

"It's so nice for the kids to receive a package from OVS. It is especially meaningful for my son, Tomer, who is studying at the Univ of West Georgia. There are only a few Jewish students and staff at that university who get together for Passover Seder. Thank you so much!" *Rose Wagshal*

"Thanks so much for including a little Chanukah at school." *Sheryl Rechtman*

What the kids are saying . .

"Thank you so much for the Hanukah package. I have the menorah set up in my room and my roommate and I light it every night." *Lindsey Habif*

"I love these packages!" *Kevin Rabinowitz*

'Thank you so much!!! I can't wait to get my Chanukah package from OVS!!! I love my synagogue!!! Happy Chanukah!!!" *Julie Rich*

"Once again, ya'll have made being at college that much easier. I really appreciate the lollycones and the Passover wishes. Thanks for thinking of me!" *Jonathan Arogeti*

"Thank you so much for the Purim package. My roommates and I enjoyed the hamentashen which were promptly devoured. Happy Purim!" *Jonathan Habif*

"Thank you so much for the Rosh Hashanah package! It was so generous of you to ship it all the way to Spain for me! The package was in great condition when I received it." *Louisa Gleichman*

"I just wanted to let you know how much I appreciate receiving packages from OVS. I cannot tell you how good it makes me feel to know that the people at OVS are still thinking about me. I grew up going to OVS and although I have not been there for quite some time due to attending out of state college, I still feel like my roots have been formed in OVS." *Seth Butler*

"Thank you very much for all the kind thoughts and warm feelings you and your staff put into making these packages. It is really sweet and greatly appreciated." *Semon Akbashev*
